

POLICE ACADEMY IN BRATISLAVA
Public Administration and Crisis Management Department

cordially invite you for the international scientific conference:

***„OPTIMIZING OF STUDENT EDUCATION
OF SECURITY PUBLIC- ADMINISTRATION SERVICES
STUDY “***

Date of the conference:

03. - 04. 12. 2019

Venue:

Police Academy in Bratislava, Sklabinská 1, Bratislava

The aim of the conference:

Based on the acquired scientific knowledge and practical experience from the implementation of individual study programs of the study program 8.3.2 Security Public-Administration Services to formulate partial conclusions and recommendations for improving the teaching documentation, content and process aspects of educational activities in order to optimize theoretical and practical preparation of security managers and to prepare for the next accreditation.

Conference tasks:

- To clarify and specify the areas of interest which form the core of the study program of Security Public Administration following the mission of Police Academy as a state university as well as other domestic and foreign educational institutions with security focus.
- To compare theoretical approaches and practical knowledge of security practice with the direction of the study program of Security Public-Administration Services.
- To analyse the situation, generalize the experience and knowledge to date, indicate the directions of the optimizing improvement of the educational process in the discussed study program as part of the preparation process for future accreditation.
- To present the starting points and approaches of the research team members of the integrated international scientific-research task “Systematics of scientific and theoretical knowledge in the study program of public-security services and optimization of the training of administrative security managers at Police Academy in Bratislava in accordance with the needs of public administration at local and regional level.”

In order to fulfil the objective of the conference, the content of the presentations and published papers in the proceedings will have to be oriented to the following areas:

- Characteristics of the system of security public administration services, current needs of security practice with emphasis on theoretical, practical and personal requirements for the preparation of security managers of basic and middle level of crisis management in public administration.
- Analysis of the state, experience and knowledge of the implementation of individual study programs of the study field 8.3.2 Security Public-Administration Services and recommend further directions and areas of optimization of security managers training at the Police Academy.
- Compliance of identified security areas of interest in the core of the study field of 8.3.2 Security Public-Administration Services with the current and forecasting needs of security practice in relation to the mission of the Police Academy as state university.
- Content analysis of the preparation of students in the study programs of the study field of 8.3.2 Security Public-Administration Services of the Police Academy, with an emphasis on its compliance with the security environment development tendencies on the one hand, state and concept of public administration development on the other hand.
- Professiogram of the Public Administration Crisis Manager and the need to transfer new requirements to the graduate profile of the study field of 8.3.2 Security Public-Administration Services.
- Departmental didactics and didactics of subjects included in the study programs of the study field of 8.3.2 Security Public-Administration Services of the Police Academy and the affective use of the educational potential of the included subjects - groups of subjects in the development of key competencies and personalities of security managers in public administration.
- Content analysis of the preparation of students in the study programs of the study field of 8.3.2 Security Public-Administration Services of the Police Academy, with an emphasis on its compliance with the security environment development tendencies on the one hand, state and concept of public administration development on the other hand.

 - Dr. h. c. doc. JUDr. Ľuboš Wäldl, PhD., Police Academy in Bratislava
 - doc. Dr. Karol Murdza, PhD., Police Academy in Bratislava
 - JUDr. Miroslav Brvnišťan, PhD., Police Academy in Bratislava
 - mjr. JUDr. Mária Mamojková, PhD., Police Academy in Bratislava
-

ORGANIZATIONAL COMMITTEE:

mjr. Ing. Marian Suja, PhD., Police Academy in Bratislava
mjr. Ing. Milan Marcinek, PhD., Police Academy in Bratislava
Kornel Kister, CSc., Police Academy in Bratislava
Mgr. Ondrej Blažek, Police Academy in Bratislava
JUDr. Katarína Junasová, Police Academy in Bratislava
JUDr. Claude Trelaj, - PhD student Police Academy in Bratislava
Ing. Martin Fleischer, - PhD student Police Academy in Bratislava
kpt. Mgr. Bc. Peter Jakubík, LL.M., - PhD student Police Academy in Bratislava
kpt. Mgr. Bc. Diana Santurová, - PhD student Police Academy in Bratislava
kpt. JUDr. Františka Jakubíková, - PhD student Police Academy in Bratislava
Ing. Maroš Krajčír, - PhD student Police Academy in Bratislava
Ing. Diana Komendátorová, - PhD student Police Academy in Bratislava
Bc. Monika Kaczorová, Antiminopoly Office of the Slovak Republic

Conference languages:

Slovak, Czech, Polish, English

The program of the conference with further organizational instructions will be sent electronically continuously (based upon the requested and sent contributions).

Conference proceeding:

Electronic proceeding will be published from the conference.

Contributions submitted and presented on the conference will be recorded on CD.

All papers will be reviewed.

Papers have to be written in WORD 97 or WORD 2007 according to the template and further sent by **e-mail:**

marian.suja@minv.sk ,(copy katarina.junasova@minv.sk) **do 25. 11. 2019.**

Papers submitted after the deadline will not be published. Contributions will not be honoured.

Important dates:

- ❑ application deadline: do 31.10.2019
- ❑ submission deadline: do 15.11.2019

Material and technical support of the conference

- **Conference organizational committee provide**
 - ❖ *refreshments during the conference*
 - ❖ *lunch*
 - ❖ *publication and distribution of conference proceedings*
 - ❖ *didactic tools for presentation of papers (notebook and data projector)*

The conference with international participation on matters of the scientific research task realization „Systematics of scientific and theoretical knowledge in the study program of public-security services and optimization of the training of administrative security managers at Police Academy in Bratislava in accordance with the needs of public administration at local and regional level “

on:

**„ OPTIMIZING OF STUDENT EDUCATION OF SECURITY PUBLIC-
ADMINISTRATION SERVICES STUDY “**

**shall place on 03. - 04. 12. 2019 at the Police Academy in Bratislava
under the aegis of Dr. h. c. prof. JUDr. Lucia Kurilovská, PhD.**

PRELIMINARY CONFERENCE PROGRAM:

03.12.2019:

12.00 - 13.30 h

Registration of the participants

13.30 – 14.00 h

Conference opening

14.00 - 15.00 h

Discussion

15.00 – 15.30 h

Coffee break

15.30 - 17:00 h

Discussion

17.00 – 17.15 h

The first conference day ending

04.12.2019:

08.30 - 09.00 h

Registration of the participants

09.00 – 10.30 h

Discussion

10:30 – 10.45 h

Coffee break

10:45 – 12:15 h

Discussion

12:15 – 13:15 h

Lunch

13:15 – 15:00 h

Discussion

15:00 h

Conference ending

To confirm your participation, please, send your binding application to marian.suja@minv.sk and copy to katarina.junasova@minv.sk until **31.10.2019.**
